

YSP

**YOUNG SCHOLARS PROGRAM
OFFICE OF STEM TEACHING ACTIVITIES
FLORIDA STATE UNIVERSITY®**

The Young Scholars Program (YSP) is a six-week, residential, STEM summer program for Florida high-school students with significant potential for STEM careers. The program was developed in 1983 and is administered by the Office of STEM Teaching Activities in the College of Arts and Sciences at Florida State University.

YSP continues to be accessible to all qualified students who meet the eligibility requirements. As in the past, room, board, and tuition are provided for every admitted student, funded by Florida State University. Students with significant financial need may also apply for a supplemental program stipend to cover the cost of travel and/or textbooks.

To be eligible for acceptance, applicants must:

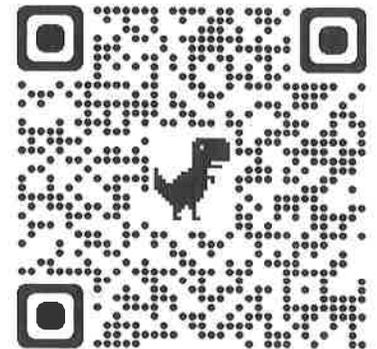

- Be enrolled in 11th grade in a Florida public or private high school
- Have scored in the 90th percentile or better in math on a nationally standardized exam (e.g., SAT, ACT, PSAT, PreACT)
- Be able to commit for the entire six weeks of the program (no exceptions will be made for travel to other summer internship opportunities, camps, Mu Alpha Theta, etc.)
- Be a permanent residence in the State of Florida
- Maintain at least a 3.0 GPA (unweighted)
- Be enrolled in or have completed Pre-Calculus

Important Deadlines:

- February 15: Application and Recommendations deadline
- May 15: Admission decisions finalized (on or before this day)

Program Dates for 2026:

YSP will run from **June 7 - July 18, 2026.**
